

Travel Against Foreign, Commonwealth and Development Office Advice

If you are planning to travel to a region or country against British FCDO advice, please note most standard retail travel insurance schemes, including our own CI Direct Scheme, will not permit travel contrary to FCDO advice. However, we offer a specialist policy purely to areas against FCDO advice. All enquiries must however be dealt with on an individual basis.

Full details of the policy cover may be found in the [Key Facts Policy Summary](#), [Insurance Product Information Document \(IPID\)](#) and [Policy Wording](#).
